This right is subject to the Operator’s compliance with this clause 4 and the Acceptable Use Policy in clause 6, both of which are essential terms of this Agreement.

4.2 The right granted to the Operator in clause 4.1 is subject to the further condition that the Operator agrees that Marketplacer may collect, aggregate, use and disclose Operator Data provided such data is de-identified, meaning that it cannot be attributed or connected to an individual, and subject to clause 10. Marketplacer owns all right, title and interest in any inferences, analytics or databases created using the de-identified data.

4.3 Operator acknowledges and agrees that notwithstanding anything to the contrary in this Agreement, Marketplacer retains all right, title, and interest in or to the Intellectual Property Rights in the Platform and the Services (including to corrections, updates, adaptations, enhancements or authorised copies of the Platform and/or the Services), and Operator does not acquire any rights, express or implied, in these Intellectual Property Rights.

- (d) Marketplacer will not have any further obligations to the Operator under this Agreement and is not otherwise required to provide any assistance to the Operator for the purposes of migrating or transitioning to another service, system or software unless the parties agree otherwise in writing; and
  - (e) provided that the Operator makes the request in writing within 30 days of the date of termination and on the condition that Operator warrants that its access to and processing of such data is compliant with all applicable laws, Marketplacer will provide a copy of Operator Data in Marketplacer's possession to the Operator. Marketplacer will act in good faith to provide the Operator Data within a reasonable timeframe following receipt of the request.
- 16.4 On termination or expiry of this Agreement, the Operator will pay to Marketplacer all amounts due at the date of termination.

- 16.5 The parties waive any rights of termination not expressly stated in this Agreement.

## 17. **Dispute Resolution**

The parties agree that in the event of any dispute, controversy or claim arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination ("**Dispute**"), a party must not commence any court or arbitration proceedings relating to the Dispute (other than for urgent injunctions or interlocutory applications) until it has issued a notice to the other party and made reasonable attempts to resolve the Dispute by negotiation of senior management. This clause 17 does not apply in relation to the payment or non-payment of Service Fees under this Agreement.

## 18. **Relationship of Parties**

- 18.1 Marketplacer's relationship with Operator is that of an independent service provider. Neither Marketplacer nor Operator will have (and will not represent that it has) any power, right or authority to bind the other, or to assume or create any obligation or responsibility, express or implied, on behalf of the other or in the other's name.
- 18.2 Unless not allowed by law, Operator will not, without the prior written consent of Marketplacer, for the Term and a 6 month period after the Term, directly or indirectly solicit or offer employment or otherwise engage any employee of Marketplacer. Nothing in this clause will prevent a party from employing a

person who responds to a general advertisement or recruitment agency seeking applications.

## 19. **Force Majeure**

- 19.1 Notwithstanding any other provision in this Agreement, no default, delay or failure to perform on the part of any party will be considered a breach of this Agreement to the extent such default, delay or failure to perform is shown to be due to a Force Majeure Event.
- 19.2 If a Force Majeure Event occurs, the time for performance required by a party under this Agreement will be extended for any period during which performance is prevented by the event.
- 19.3 If a Force Majeure Event prevents a substantial part of the Services being provided by Marketplacer to the Operator, the Operator is exempted from paying the relevant Service Fees that would otherwise be payable during the period in which that Force Majeure Event occurs.
- 19.4 Notwithstanding the above, if a delay or failure by a party to perform its obligations under this Agreement due to a Force Majeure Event exceeds 60 days, and that delay or failure prevents a substantial part of the Services from being provided by Marketplacer to the Operator, any party may immediately terminate this Agreement on providing notice to the other party, such notice to take effect 14 days after the date of such notice.

## 20. **Notices**

21. All notices and consents required or permitted to be given under this Agreement must be in writing and given by personal service, mail (postage prepaid, return receipt requested), overnight courier or email to the parties at the address for notices set out in the Order Form or to such other address as either party may designate to the other by written notice. Notice is effective on the same day when delivered personally, on the next business day when sent by overnight courier service, on the next business day if sent by email or three business days after sending by mail (return receipt requested).

## 22. **Assignment**

- 22.1 Subject to clause 22.2, neither party may assign or otherwise transfer its rights or obligations under this Agreement without the prior written consent of the other party, such consent not to be unreasonably withheld. Any assignment in violation of this clause is null and void.
- 22.2 Marketplacer may assign or otherwise transfer its rights or obligations under this Agreement to any of its Affiliates or in connection with a change in ownership without the prior written consent of the Operator.

## 23. **DMCA notice and takedown.**

Marketplacer supports the protection of intellectual property and asks the Operator to do the same. Marketplacer's policy is to respond to all notices of alleged copyright infringement. If someone believes an Operator is infringing their intellectual property rights, they can send a notice to Marketplacer using the [Takedown Request Form](#). On receiving a notice, Marketplacer may remove or disable access to the content claimed to be a copyright infringement. Once provided with a notice of takedown, the Operator can reply with a counter notification if the Operator objects to the complaint using the [Counter Notice Form](#). The original complainant has 14 business days after Marketplacer receives a counter notification to seek a court order restraining the Operator from engaging in the infringing activity, otherwise Marketplacer will restore the content.

**24. Powered by Marketplacer Logo**

Operator acknowledges and agrees that the Powered by Marketplacer logo must be retained on each page of the Operator Marketplace in the bottom left corner, or such other placement as Marketplacer notifies to the Operator from time to time. Operator is not permitted to modify the size, design or color of the Powered by Marketplacer logo without the prior permission of Marketplacer and agrees to comply with Marketplacer's reasonable directions in respect of the Powered by Marketplacer logo.
