This right is subject to the Operator’s compliance with this clause 4 and the Acceptable Use Policy in clause 6, both of which are essential terms of this Agreement.
- 4.2 The right granted to the Operator in clause 4.1 is subject to the further condition that the Operator agrees that Marketplacer may collect, aggregate, use and disclose Operator Data provided such data is de-identified, meaning that it cannot be attributed or connected to an individual (“**Usage Data**”). Notwithstanding anything to the contrary in this Agreement, Marketplacer owns all right, title and interest in any inferences, analytics or databases created using the Usage Data. If Marketplacer discloses insights drawn from Usage Data, then all such disclosures must be anonymized and aggregated and will not identify Operator, and must not be disclosed in a manner that would permit a third party to determine Operator’s identity.
- 4.3 Operator acknowledges and agrees that notwithstanding anything to the contrary in this Agreement, Marketplacer retains all right, title, and interest in or to the Intellectual Property Rights in the Platform and the Services (including to corrections, updates, adaptations, enhancements or authorised copies of the Platform and/or the Services), and Operator does not acquire any rights, express or implied, in these Intellectual Property Rights.
- 4.4 As between the parties, Operator owns all Intellectual Property Rights in the Operator Data. The Operator is responsible for the accuracy, quality and legality of Operator Data,

- 4.7 As between Marketplacer and the Operator, the Operator is responsible for any transactions which occur through or as a result of the Operator Marketplace. Marketplacer is not a party to such transactions and the Operator agrees Marketplacer has no liability in connection with them, nor does it have control over the goods and services transacted through the Operator Marketplace or the acts or omissions of Customers (such as failure to pay or failure to process a refund). The Operator must ensure that the Operator Marketplace is operated, and is responsible for taking reasonable steps to ensure users of the Operator Marketplace use it, in a manner that complies with applicable laws.
- 4.8 Subject to clause 4.9, Marketplacer will give the Operator at least 5 days’ notice in advance of implementing a Service Update if Marketplacer reasonably believes that the Service Update will (or may) significantly prejudice the Operator’s ability to use the Services or significantly reduce the quality or content of the Services being provided to the Operator.
- 4.9 Marketplacer may implement a Service Update with no notice or less notice than specified in clause 4.8 if it reasonably believes that the Service Update is critical for maintaining the integrity and/or security of the Platform or a Service and that compliance with clause 4.8 is inappropriate due to the urgency with which the Service Update must be implemented.
- 4.10 Marketplacer has not agreed to and does not agree to treat as confidential any Feedback Operator provides to Marketplacer, and nothing in this Agreement or in the parties’ dealings arising out of or related to this Agreement will restrict Marketplacer’s right to use, profit from,

disclose, publish, keep secret, or otherwise exploit Feedback, without compensating or crediting Operator.

- 4.11 Marketplacer reserves the right to change, discontinue, or deprecate the offering of any Service functionality at any time for any reason. - 5.3 The Operator acknowledges that the ability of Marketplacer to provide Onboarding Support is dependent upon the Operator's cooperation, including provision of any Operator dependencies specified in the Order Form. The Operator must ensure that it provides Marketplacer with timely, adequate and accurate responses to requests for data, documents, information, materials, access, decisions or approvals. Marketplacer is excused from performing Onboarding Support to the extent that Operator delays or refuses to provide Marketplacer with such cooperation.

- 5.4 The Operator:

- 7. Fees, Payments and Invoicing**
- 7.1 Marketplacer will issue the Operator an invoice for the Service Fees plus applicable Sales Tax in accordance with the Order Form.
- 7.2 The Operator must pay the Service Fees and Sales Tax to Marketplacer within 30 days of the date of invoice or such other due date specified in an Order Form. The requirement to pay the Service Fees within the time limit(s) as set out in this Agreement is an essential term of this Agreement. Without limiting its other rights and remedies, Marketplacer is entitled to charge a monthly finance fee equal to the lesser of (a) 3.0% per month; or (b) the highest amount permitted by law, on any undisputed amounts not paid in full by the due date specified in the Order Form, which will accrue and be payable each month until such amount has been paid in full. Marketplacer will not exercise this right if Operator is disputing the relevant invoice reasonably and in good faith and is cooperating to resolve the dispute.
- 7.3 The parties acknowledge and agree that:
- (a) unless otherwise expressly stated in this Agreement, the Service Fees are exclusive of Sales Tax;
- (b) if any Sales Taxes are imposed on any Services provided under this Agreement, Marketplacer may recover from the Operator, in addition to any consideration payable for the Services, the amount of Sales Taxes due; and
- (c) if the Operator is required to pay any amount of Sales Taxes in accordance with this clause 7 or in connection with any goods, services or any other things under this Agreement, the Operator will pay the amount of Sales Taxes at the same time as the consideration is provided for provision of Services,
- goods, service or any other thing under this Agreement.
- 7.4 The Operator agrees to pay the Service Fees by electronic funds transfer into Marketplacer's nominated bank account, or by such other method as Marketplacer may specify from time to time.
- 7.5 All amounts due under or in relation to this Agreement are non-refundable and must be paid in full without any deduction or withholding other than as required by law and the Operator will not be entitled to assert any credit, set off or counterclaim against Marketplacer in order to justify withholding payment of any such amount in whole or in part, except as expressly stated in respect of Service Level Credits in the SLA.
- 7.6 The Operator will keep and maintain accurate and complete books and records relating to the Services ("**Records**"). During the Term and for 2 years thereafter, Marketplacer will have the right, at its cost and expense and on reasonable prior written notice to the Operator, to inspect the Operator's Records during normal business hours and in a manner that does not interfere with the Operator's business operations. The Operator will provide direct access to its systems, facilities and employees as reasonably requested by Marketplacer for the audit. If the audit shows under reporting or under payment by the Operator of any amounts owed to Marketplacer, the Operator will promptly pay the additional sum(s) owed. If the audit shows under payment by Operator of five percent (5%) or more, the Operator must further reimburse Marketplacer for its reasonable audit costs and expenses.
- 7.7 Engagement of any External Providers is at the Operator's sole cost.
- 8. Change Request**
- 8.1 From time to time during the Term, the Operator may submit a Change Request to Marketplacer and Marketplacer may, at its discretion, provide the Operator with a written notice in the form of a Statement of Work setting out the terms on which Marketplacer is willing to carry out the Change Request, including any variation in fees for Marketplacer to undertake such changes. Marketplacer has no obligation to perform any request which is outside the scope of the Services, unless the parties have signed a Statement of Work setting out such varied or additional services and any fees.
- 8.2 The parties may discuss and agree changes to a Statement of Work, and any agreed changes will be incorporated into the Statement of Work prior to signing. For the avoidance of doubt, neither party is obliged to negotiate or sign a Statement of Work issued by Marketplacer.
- 8.3 Unless a Statement of Work states otherwise, any changes, modifications or amendments to the Services introduced by a Statement of Work

that has been duly accepted and signed in accordance with this clause constitute part of the Services provided by Marketplacer under this Agreement and the Statement of Work is deemed to be a variation to this Agreement.

9. Security

9.1 The Operator must not do anything to prejudice the security or privacy of Marketplacer's systems, software or Services or the information stored on the same.

9.2 If the Operator (or any of its personnel) become aware of any actual or potential compromise of the security of the Operator Marketplace or the Operator Data or suspect that any "back door", "time bomb", "logic bomb", "Trojan Horse", "worm", "drop dead device", "DoS attacks", "DdoS attacks", "virus" or any other malware, spyware or computer software routine having the effect of permitting unauthorised access to or use of any of Marketplacer's systems, networks, data or software or disabling, damaging, corrupting, interrupting or erasing, or disrupting or impairing the normal operation of any part of Marketplacer's systems, networks, data or software has been transmitted, uploaded or introduced, Operator must notify Marketplacer immediately.

9.7 The Operator is responsible for:

(a) maintaining and updating its own operating systems, Internet browsers, anti-virus software, or other software that it uses to access and use the Services; and

- 13.3 Each party’s liability to the other is reduced proportionally to the extent that the liability arises as a direct result of an act or omission of the other party.
- 14. Limitations on Liability**
- 14.1 To the maximum extent permitted by law, neither party shall be liable to the other party under any theory of liability for any consequential, indirect, incidental, special, punitive or exemplary damages or any kind, including, without limitation, damages arising from loss of profits, revenue, data or use, or from any defect or error or in connection with Operator’s acquisition of substitute services or malfunction of the Services, or any such damages arising from breach of contract or warranty or from negligence or strict liability, even if a party has been advised or should know of the possibility of such damages, and notwithstanding the failure of any remedy to achieve its intended purpose.

- 15.2 Subject only to clause 14.1, nothing in this Agreement operates to limit or exclude either party's liability to the other for:
- (a) death or personal injury caused by that party's negligence;
 - (b) any fraudulent or reckless conduct by the other party; or
 - (c) any other liability which cannot be limited or excluded by law.
- 16. Termination and Suspension**
- 16.1 Where an Event of Default occurs in relation to a party, the other party may terminate this Agreement by notice in writing to the party in respect of whom an Event of Default has occurred, and such termination becomes effective on the date that it is served on the relevant party.
- 16.2 In addition to its rights of termination, Marketplacer may suspend all or part of the provision of the Services to the Operator if an Event of Default occurs and the Event of Default is either incapable of remedy or the Operator fails to remedy it (and provide satisfactory evidence of such remedy to Marketplacer) within 7 days of receiving a notice in writing from Marketplacer party specifying the action required of the Operator to remedy the Event of Default.
- 16.3 On termination or expiration of this Agreement, the Operator must:

Provided that the Operator makes the request in writing within 30 days of the date of termination, Marketplacer will also provide a copy of the Operator Data in Marketplacer's possession to the Operator

following termination of this Agreement. Marketplacer will use reasonable efforts to provide the Operator Data within a reasonable timeframe following receipt of the request.

- 16.5 Upon the Operator's written request, Marketplacer will delete all Operator Data from its production environments.
- 16.6 Marketplacer will not have any further obligations to the Operator under this Agreement and is not otherwise required to provide any assistance to the Operator for the purposes of migrating or transitioning to another service, system or software unless the parties agree otherwise in writing.
- 16.7 The parties waive any rights of termination not expressly stated in this Agreement.

17. Dispute Resolution

The parties agree that in the event of any dispute, controversy or claim arising out of or in connection with this Agreement, including any question regarding its existence, validity or termination ("**Dispute**"), a party must not commence any court or arbitration proceedings relating to the Dispute (other than for urgent injunctions or interlocutory applications) until it has issued a notice to the other party and made reasonable attempts to resolve the Dispute by negotiation of senior management. This clause 17 does not apply in relation to the payment or non-payment of Service Fees under this Agreement.

18. Relationship of Parties

- 18.1 Marketplacer's relationship with Operator is that of an independent service provider. Neither Marketplacer nor Operator will have (and will not represent that it has) any power, right or authority to bind the other, or to assume or create any obligation or responsibility, express or implied, on behalf of the other or in the other's name.
- 18.2 Unless not allowed by law, Operator will not, without the prior written consent of Marketplacer, for the Term and a 6 month period after the Term, directly or indirectly solicit or offer employment or otherwise engage any employee of Marketplacer. Nothing in this clause will prevent a party from employing a person who responds to a general advertisement or recruitment agency seeking applications.

19. Force Majeure

- 19.1 Notwithstanding any other provision in this Agreement, no default, delay or failure to perform on the part of any party will be considered a breach of this Agreement to the extent such default, delay or failure to perform is shown to be due to a Force Majeure Event.
- 19.2 If a Force Majeure Event occurs, the time for performance required by a party under this

Agreement will be extended for any period during which performance is prevented by the event.

- 19.3 If a Force Majeure Event prevents a substantial part of the Services being provided by Marketplacer to the Operator, the Operator is exempted from paying the relevant Service Fees that would otherwise be payable during the period in which that Force Majeure Event occurs.
- 19.4 Notwithstanding the above, if a delay or failure by a party to perform its obligations under this Agreement due to a Force Majeure Event exceeds 60 days, and that delay or failure prevents a substantial part of the Services from being provided by Marketplacer to the Operator, any party may immediately terminate this Agreement on providing notice to the other party, such notice to take effect 14 days after the date of such notice.

20. Notices

- 20.1 All notices and consents required or permitted to be given under this Agreement must be in writing and given by personal service, mail (postage prepaid, return receipt requested), overnight courier or email to the parties at the address for notices set out in the Order Form or to such other address as either party may designate to the other by written notice. 21. Assignment

22. DMCA Notice and Takedown

- 22.1 Marketplacer supports the protection of intellectual property and asks the Operator to do the same. Marketplacer's policy is to respond to all notices of alleged copyright infringement. If someone believes an Operator is infringing their intellectual property rights, they can send a notice to Marketplacer using the [Takedown Request Form](#). On receiving a notice, Marketplacer may remove or disable access to the content claimed to be a copyright infringement. Once provided with a notice of takedown, the Operator can reply with a counter notification if the Operator objects to the

complaint using the [Counter Notice Form](#). The original complainant has 14 business days after Marketplacer receives a counter notification to seek a court order restraining the Operator from engaging in the infringing activity, otherwise Marketplacer will restore the content.

23. Logos

23.1 Operator acknowledges and agrees that the Powered by Marketplacer logo must be retained on each page of the Operator Marketplace in the bottom left corner, or such other placement as Marketplacer notifies to the Operator from time to time. Operator is not permitted to modify the size, design or color of the Powered by Marketplacer logo without the prior permission of Marketplacer and agrees to comply with Marketplacer's reasonable directions in respect of the Powered by Marketplacer logo.

23.2 The Operator hereby consents to Marketplacer using the Operator's name and logo solely to identify Operator as a Marketplacer customer in its marketing and promotional materials, including but not limited to on Marketplacer's websites. If Operator does not want its name or logo used in this way, it will notify brand@marketplacer.com.

24.1 This Agreement may only be amended, supplemented or replaced by a document in writing signed by the parties.

24.2 Any failure or delay by one party to compel performance by another party of any of the terms and conditions of this Agreement does not constitute a waiver of those terms or conditions, nor does it affect or impair the right of the first party to enforce them against the other party at a later time or to pursue remedies it may have for any subsequent breach of those terms or conditions.

24.3 A single or partial exercise of a right by a party does not preclude another or further exercise of that right or the exercise of any other right.

(b) it enters into this Agreement in reliance on its due diligence alone and has not relied upon, and will not rely on, any representation or statement (written, express or implied) which is not expressly set out as a written provision, warranty or condition of the Agreement.

24.7 Any provision of this Agreement which is prohibited, unenforceable or invalid in whole or in part is only ineffective to the extent of the prohibition, unenforceability or invalidity and this does not affect the remaining part of that provision or the other provisions of this Agreement, which will continue in full force and effect.

24.8 This Agreement may be executed in one or more counterparts executed by one or more of the parties, each of which counterparts will constitute the one agreement which will be binding on all the parties when one such counterpart has been executed by each party.

24.9 Each indemnity in this Agreement is a continuing obligation, separate from the other obligations of a party, and survives termination of this Agreement.

24.10 All representations and warranties in this Agreement will survive the execution and delivery of this Agreement and the completion of the transactions contemplated by it.

24.11 If the Marketplacer entity named in the Order Form is registered in:

(a) the United States, then the terms of this Agreement are governed by and construed in accordance with the laws of Delaware and the parties submit to the jurisdiction of the Courts of Delaware; or
